WHAT IS CAMPOREE?

A Camporee is many things; camping fun for Scouts, the stomping of hundreds of feet on the way to the evening campfire, and the smell of cooking stew. It's the ripple of wind-blown flags in the morning sun. It's catching the idea of teamwork in the Patrol method. It's working together for a common goal and learning how rewarding that can be. It is an opportunity for Scouts to get together and compete against one another in friendly competition. The program consists of camping and Scouting skills, games and a campfire.

Camporee is also an opportunity for Webelos and Arrow of Light Patrols to learn about Scouting and for Scouts to help teach their younger counterparts. Friendships will grow, bonds will be made, and the Webelos and Arrow of Light Scouts will feel more comfortable in their transition to Scouts BSA.

Each unit camps on an individual basis and your unit will operate independently from the other units. Your unit will need to bring your own stoves, food, tents, etc. If you need any equipment or help, all you need to do is ask. This is Scouting after all!

Most of all, Camporee is fun for the Scouts.

BE PREPARED! SOME DAY YOU MAY SAVE THE WORLD!

For this year, Reyes Adobe District is preparing a Heroic Camporee! We've planned a program full of all the High Adventure, Daring Deeds and Scouting Skills you've come to expect from our Camporee and hopefully a few new challenging surprises!

The original scouting hero, and our own Professor X himself, Lord Baden-Powell, once said "A Scout is never taken by surprise; he knows exactly what to do when anything unexpected happens." In that spirit, we hope that you will Be Prepared by practicing your Scout skills in anticipation of this year's SUPERHERO Camporee!

We'll be watching for you to get into the spirit of the theme with your Patrol names, Gateway designs and Campfire Skits! We're asking all the Units

running events to theme the competition with props and costumes according to their hero and specific event. We're looking forward to seeing your creativity on display!

And remember, according to Batman "A hero can be anyone."

RULES UPDATES

Judging and Awards on Events and Spirit will be by Den/Patrol/Crew only.
The only overall Unit awards will solely be for Campsite and Entrance Gateway.
Crews will participate as OMEGA units.

COVID UPDATES

The counsel guidelines regarding COVID keep changing as the pandemic unfolds. The Reyes Adobe Camporee will be following the most current WLACC recommendations for safe practices and procedures regarding COVID. We'll post updates as we get closer to the event.

As with everything else lately - all the information in this packet is subject to change. Please check our Facebook page for updates or check with Camporee Staff.

A FEW NOTES ABOUT CAMPOREE

We are fortunate to again have Valley Trails Ranch for our Camporee site. The camping site is open field camping—so whatever you need, you must bring. This includes (but is not limited to) water, trash bags, lanterns, tables, chairs, all cooking equipment, including stoves, personal gear, etc. This is a great way to learn to supply what your unit needs and uses. This is also a great opportunity to practice “Leave No Trace.”

A few notes about camping at Valley Trails:

- **CAR POOL, CAR POOL, and CAR POOL** to cut down on unnecessary traffic. Like always, each unit will camp in its own campsite, but cars will park in the designated parking lot.
- **SPEED LIMIT!** Valley Trails and their neighbors enforce a strict 10 MPH speed limit. Please be courteous and keep your speed down coming and going on the road to camp.
- **TROOP TRAILERS** may be parked in your campsite, but the towing vehicles must be parked in the lot. Keep in mind, camp size is determined by unit registration and additional space will not be allocated for trailers in camp sites.
- **PACK IT IN, PACK IT OUT.** You will all be responsible for removing your own trash. We hope to have dumpsters on site again, but regardless, you need to Leave no Trace. We are guests at Valley Trails Ranch and we need to respect the grounds by keeping our site clean and tidy.
- **PORTA-POTTIES** will be on site for Scout and Adult use. Permanent flush toilets will be available for Adults and Staff. Units are responsible for the cleanliness of the Porta-Potties in your area. Staff will have extra toilet paper and cleaning supplies available. Please promptly report any issues
- **NO OUTSIDE DELIVERY VEHICLES** will be accepted into the camp. Please plan for Friday night dinner to either be pre-ordered Habit meals or otherwise carried in by Scouts/Troops/Packs.
- **CAMPOREE BOUNDARIES:** Our Camporee has specific physical boundaries. It is imperative that these boundaries be observed. Scouts do not have the run of the Ranch. We are only permitted to use specific portions of the Ranch.
- **NATIVE ANIMALS:** It is normal for rattlesnakes to be in this area so be careful. Do not pick up or bother any of the wildlife in the area.

Roundtable is a good place to ask anything about Camporee. Reyes Adobe holds it Roundtable on the 2nd Wednesday of every month via Zoom. **Otherwise** contact any staff member, especially this year’s chair-people: Steve Vincent - reyesadobecamporee@gmail.com - (818) 730-8895
Gerald Jenne - gerald@geraldjenne.com - (818) 438-2250

Practice, Practice, Practice - The higher scoring Patrols are those that practiced their Scout skills prior to Camporee. Come to a Roundtable before Camporee to learn more about the events.

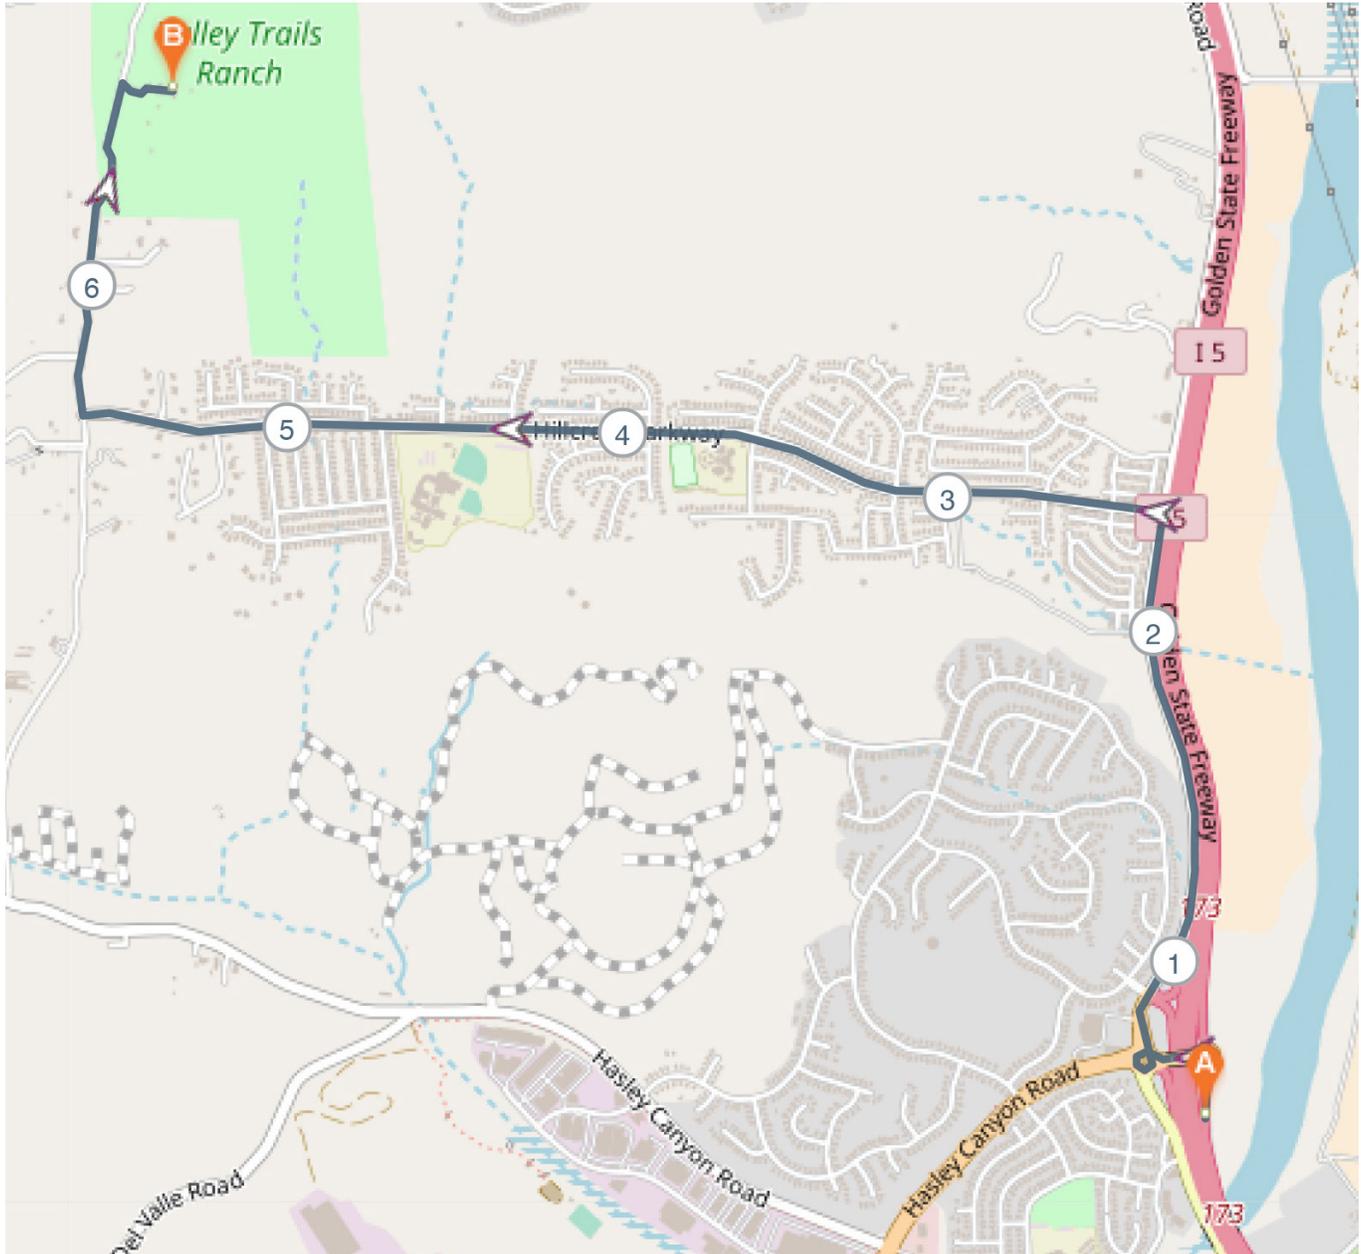

Camporee is a Group Effort - We need your help to make this a great event for all the Scouts. We’re asking each unit to run at least one competition event. See page 10 for details. If you have any questions please contact our Event Chair-people: Anett & Hrair Assilian - dasboot13@yahoo.com - 818-419-9341

Photos - After uniform inspections on Saturday, April 30, we will have a photographer available to take a group photo of your unit. Throughout the day they will also be taking photos of the Camporee events and possibly you! Pictures will be posted to a photo sharing website and be available for downloads.

See you at Camporee!

An important way adult leaders can model healthy living is by following the policies on alcohol, tobacco, and drugs. Leaders should support the attitude that they, as well as youths, are better off without tobacco in any form and may not allow the use of tobacco products at any BSA activity involving youth participants. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking. All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants.

EVENT PARTICIPATION

Patrols will compete in the events that have been designed for their Patrol skill level. The skill level is determined by the rank of the Scouts in the Patrol. Please refer to the Patrol Classification section of the packet for the classification of your particular Patrol. (See page 13-14 for details.)

ALPHAS (Webelos and Arrow of Light) Compete in events 1-8

BETAS Compete in events 9-16

GAMMAS Compete in events 17-24

OMEGAS Compete in events 25-32

Leadership is a part of the scoring scheme as well as overall participation and Patrol spirit. Encourage your Patrol leaders to go over all the skills involved in the events with their Patrol before the Camporee. The better your Patrols know their skills, the better they will do in the events competition.

RUN AN EVENT AT CAMPOREE

The Camporee staff is asking all units to sponsor and run at least one event at Camporee. We will give your unit all the details of what is expected. We will look to you for full cooperation in preparing for and providing a fun and challenging event for our Scouts that matches the Superheroes theme of the event.

All sponsors are asked to be able to run two identical stations simultaneously. This gives the Scouts time to complete all their events without the usual “long line, bog down.”

Troops and packs will be expected to provide their own supplies to run the event. If you have trouble finding supplies, please contact Anett A. Assilian at dasboot13@yahoo.com or 818-419-9341.

To help things run smoothly, there will be several opportunities to discuss how to run the events and the scoring procedures.

- **MARCH 09 - Reyes Adobe Roundtable** (Zoom Call)
- **APRIL 10 - Camporee Staff Zoom Call - TBD**
- **APRIL 29 - FINAL QUESTIONS and CLARIFICATIONS - 9:30 pm in the Staff Area/Camp Dining Hall at Camporee.**

If you have never run an event or have questions it is extremely important to attend one of these meetings.

Don't be afraid to volunteer even if you've never done this before.

This is an opportunity to make use of those parents that just want to come and “hang out.”

Let them know they are needed. Please pitch in and help.

REGISTERING TO RUN AN EVENT

SignUpGenius worked so well last time, we thought we would try it again. You can sign up for sponsoring an event Online using this link: <https://tinyurl.com/2yvbjyp>

Please designate one leader from your unit to be the contact person on event sign-ups.

You can also email one of the Camporee Chairman and we'll send you a link.

Steve Vincent - reyesadobecamporee@gmail.com - (818) 730-8895

Gerald Jenne - gerald@geraldjenne.com - (818) 438-2250

The following is the classification scheme for Patrol competition:

BOY SCOUT RANK	POINTS
SCOUTS	1
TENDERFOOT	4
SECOND CLASS	8
FIRST CLASS	10
STAR	15
LIFE	20
EAGLE	25

PATROL CLASSIFICATION	AVERAGE POINTS
ALPHAS	All Webelos and Arrow of Light

GAMMAS	6.00 - 10.99
OMEGAS	11.00+

CREWS will compete as **OMEGAS**

Steve Shorr	First Class	10
Robin Johnson	Second Class	8
Bill Wright	Tenderfoot	4
Steve Vincent	Scout	1
TOTAL POINTS		43

Each Scout in the Patrol, who is in attendance at the Camporee, is given a point value according to their rank at the time of Camporee. All individual points of the Patrol members are added together. This total number of points is then divided by the number of Scouts in the Patrol. This average will be used for classification for the various events.

Divide the 43 by 5 (number of Scouts) = 8.60 points. The Patrol classification list designates this average as GAMMAS, therefore, the Old Goat Patrol will compete in the GAMMAS events.

This will help eliminate much of the confusion from previous years.

CHECK-IN PROCEDURES

With the addition of the BSA Medical form requirement this year, there are a number of forms that will be turned in at Check in. To make the form collection more efficient and make our job a little easier at Cracker Barrel, please follow the following procedures at Check In on Friday.:

Please have one leader in charge of your Unit's registration and present their completed forms in 3 separate groups with the Unit Number clearly marked:

- 1.) Packet with Unit's Shooting/Climbing permission forms; One for Each Scout.
- 2.) Packet with Unit's Valley Trails Forms; One for each Youth & Adult.
- 3.) Packet with Unit's BSA Medical Form; One for each Youth & Adult.

Please, DO NOT staple them together by each participant! You will be asked to separate them by form category before the Check-In staff accepts them.

DRIVERS INFORMATION SHEET

In addition, we've added the Drivers Information Sheet to the last page of this packet. Every year, the thing that slows down the check-in line the most is having every driver fill out the dashboard sheet if they are staying overnight. You can do a lot to cut down on that back up by making copies of those pages and passing them out to every driver who is staying in camp overnight.

CHECK-OUT PROCEDURES

When your unit is ready to depart, the Senior Patrol Leader or Den Leader should inspect their campsite for cleanliness. Remember that all trash is to be packed out. Remember to LEAVE NO TRACE.

Campsites should always be left better than they were found.

When the Senior Patrol Leader or Den Leader is satisfied that the campsite is clean, a Campsite Inspector will clear them for departure and issue them a signed evaluation sheet.

The Senior Patrol Leader and an Adult leader will need to take the completed evaluation sheet AND THE CAMPSITE UNIT SIGN to the Staff headquarters. There they will obtain their packet of score sheets, Camporee patches and pickup their Medical forms.

Assistance in surveying and cleaning common areas is expected and very much appreciated.

**- - - FOR SAFETY REASONS, PLEASE RESPECT - - -
NO VEHICLES IN THE CAMPSITE AREA PRIOR TO THE CLOSE
OF THE AWARDS CEREMONY ON SUNDAY.**
