WHAT IS CAMPOREE?

A Camporee is many things; camping fun for Scouts, the stomping of hundreds of feet on the way to the evening campfire, and the smell of cooking stew. It's the ripple of wind-blown flags in the morning sun. It's catching the idea of teamwork in the Patrol method. It's working together for a common goal and learning how rewarding that can be. It is an opportunity for Scouts to get together and compete against one another in friendly competition. The program consists of camping and Scouting skills, games and a campfire.

Camporee is also an opportunity for Webelos and Arrow of Light Patrols to learn about Scouting and for Scouts to help teach their younger counterparts. Friendships will grow, bonds will be made, and the Webelos and Arrow of Light Scouts will feel more comfortable in their transition to Scouts BSA. Keep in mind, Webelos and AoL's are Day Visitors this time. Please help make them feel welcome!

Each unit camps on an individual basis and your unit will operate independently from the other units. Your unit will need to bring your own stoves, food, tents, etc. If you need any equipment or help, all you need to do is ask. This is Scouting after all!

Most of all, Camporee is FUN!

BACK TO BROWNSEA ISLAND

Back in 1907, Robert Baden-Powell conceived of an experimental camp to test out his idea of a new youth organization based on the book he was writing, "Scouting for Boys". There were only 21 boys at that first scout camp on Brownsea Island. They were organized in to 4 patrols, Wolves, Ravens, Bulls and Curlews. The scouts did not have uniform shirts, but wore khaki scarves and were presented with brass fleur-de-lis badges, the first use of the Scout emblem. They also wore a colored knot on their shoulder indicating their patrol: green for Bulls, blue for Wolves, yellow for Curlews, and red for Ravens. The patrol leader carried a staff with a flag depicting the patrol animal. After passing tests on knots, tracking, and the national flag, they were given another brass badge, a scroll with the words Be Prepared, to wear below the fleur-de-lis.

Scouting has changed quite a bit over the years, but in some ways not so much. We still wear Khaki, we still test our skills in fire building, in signals, tracking and of course, tying knots. This year, we're going back to the basics of Scouting and returning to our own version of Brownsea Island. The Camporee events will highlight the skills all scouts need to know and even the traditional names for the patrols. We can't wait to see how all you Wolves, Ravens, Bulls and Curlew show off what you can do!

RULES UPDATES

Judging and Awards on Events and Spirit will be by Patrol/Crew only.
The only overall Unit awards will solely be for Campsite and Entrance Gateway.

MAP TO CAMPOREE

We are fortunate to again have Valley Trails Ranch for our Camporee site. The camping site is still open field camping so whatever you need, you must bring. This includes (but is not limited to) water, trash bags, lanterns, tables, chairs, all cooking equipment, including stoves, personal gear, etc. This is a great way to learn to supply what your unit needs and uses. This is also a great opportunity to practice “Leave No Trace.”

VALLEY TRAILS SPECIFICS

- **TROOP TRAILERS** will be allowed to park in the camping area, but the towing vehicle will need to be parked in the designated overnight parking area. All other vehicles staying overnight will all need to park in the overnight parking. There will be no exceptions. Please plan accordingly.
- **PACK IT IN, PACK IT OUT.** Your Unit will be responsible for removing its own trash. We hope to have dumpsters on site again, but regardless, you need to Leave no Trace. We are guests at Valley Trails and we need to respect the grounds by keeping our site clean and tidy. Remember, Scouts always leave an area cleaner than the way they find it.
- **PORTA-POTTIES WILL BE ON SITE FOR SCOUT AND ADULT USE.** Units are responsible for the cleanliness of the Porta-Potties in your area. Staff will have extra toilet paper and cleaning supplies available. Please promptly report any issues.(No Showers or Flush Toilets will be available on site)
- **NO OUTSIDE DELIVERY VEHICLES WILL BE ACCEPTED INTO THE CAMP.** Please plan your unit's Friday night meal to be pre-ordered from Habit, carried in, or prepared on site.
- **CAMPOREE BOUNDARIES:** Our Camporee has specific physical boundaries. It is imperative that these boundaries be observed. Scouts do not have the run of Valley Trails. We are only permitted to use specific portions of the area.
- **NATIVE PLANTS and ANIMALS:** It is normal for rattlesnakes to be in this area so be careful. Do not pick up or bother any of the wildlife in the area.
- **CAMP AREA:** Boundaries will be outlined on the Camporee map. **This is private property, so we need to stay in the camping area.** Anyone found outside the designated Camporee area will be sent home. No hikes or hill climbing. **NO EXCEPTIONS!!**

YPT: BSA and counsel guidelines require that **ALL** registered adult leaders be current with Youth Protection. It is the unit leaders responsibility to make sure **ALL** attending adult unit leaders are Current with YPT and Trained for their position. The Reyes Adobe Camporee committee also highly recommends that all attending adults be YPT certified. Information on YPT can be found on the BSA website. [scouting.org/training/youth-protection/](https://www.scouting.org/training/youth-protection/)

UNIFORM: Your Class A or Field uniform must be worn at all assemblies. It is also suggested you wear your Field Uniform driving to and from Camporee.

CAMPSITE ASSIGNMENTS: Your campsite will be assigned to your unit at the check-in desk. These are assigned based on the number of participants registered as of **April 19, 2023**.

FIRST AID: There will be a First Aid station set up near the Camp Headquarters Area. Should you require first aid above and beyond what your personal kit can handle, please go there. The First Aid Staff will have your medical forms safely stored for the duration of the Camporee but consider carrying a copy with you. If a participant does not have their BSA Medical form parts A&B they will not be allowed to stay at Camporee.

ALCOHOL, TOBACCO, AND DRUGS: An important way adult leaders can model healthy living is by following the policies on alcohol, tobacco, and drugs. Leaders should support the attitude that they, as well as youths, are better off without tobacco in any form and may not allow the use of tobacco products at any BSA activity involving youth participants. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking. All Scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants.

ALCOHOL, TOBACCO, AND DRUGS CONTINUED: As outlined in the Scouter Code of Conduct, Scouting activities are not a place to possess, distribute, transport, consume, or use any of the following items prohibited by law or in violation of any Scouting rules, regulations, and policies: alcoholic beverages or controlled substances, including marijuana.

In addition, the Code of Conduct specifies that if you are taking prescription medications with the potential of impairing any functioning or judgment, you will not engage in activities that would put youth at risk, including driving or operating equipment.

EVENT PARTICIPATION

Patrols will compete in the events that have been designed for their Patrol skill level. The skill level is determined by the rank of the Scouts in the Patrol. Please refer to the Patrol Classification section of the packet for the classification of your particular Patrol. (See page 13-14 for details.)

CURLEWS Compete in events 9-16

WOLVES Compete in events 17-24

BULLS Compete in events 25-32

Leadership is a part of the scoring scheme as well as overall participation and Patrol spirit. Encourage your Patrol leaders to go over all the skills involved in the events with their Patrol before the Camporee. The better your Patrols know their skills, the better they will do in the events competition.

RUN AN EVENT AT CAMPOREE

The Camporee staff is asking all units to sponsor and run at least one event at Camporee. We will give your unit all the details of what is expected. We will look to you for full cooperation in preparing for and providing a fun and challenging event for our Scouts that matches the “Back to Basics” theme of the event.

All sponsors are asked to be able to run two identical stations simultaneously. This gives the Scouts time to complete all their events without the usual “long line, bog down.”

Troops and Crews will be expected to provide their own supplies to run the event. If you have trouble finding supplies, please contact Anett A. Assilian at dasboot13@yahoo.com or 818-419-9341.

To help things run smoothly, there will be several opportunities to discuss how to run the events and the scoring procedures.

- **MARCH 08 - Reyes Adobe Roundtable** (Zoom Call)
- **APRIL 13 - Camporee Staff Zoom Call - TBD**
- **APRIL 28 - SET UP QUESTIONS and CLARIFICATIONS - 9:30 pm in the Staff Area/Camp Dining Hall at Camporee.**

If you have never run an event or have questions it is extremely important to attend one of these meetings.

Don't be afraid to volunteer even if you've never done this before.

This is an opportunity to make use of those parents that just want to come and “hang out.”

Let them know they are needed. Please pitch in and help.

Please make sure to complete ALL of your events.

SCOUT SPIRIT

Your Patrol/Crew can earn up to 240 points from Scout Spirit. Each Patrol or Crew will be judged on their ability to complete the event in addition to the Patrol leader’s ability to lead the Patrol. Scout Spirit will be judged at each event as a part of the competition, according to the following categories:

<u>Organization of Patrol/Crew</u>	<u>Patrol/Crew Participation</u>	<u>Patrol/Crew Yell</u>
Excellent 10	All Involved 10	Without Prompt 10
Good 8	1/2 Involved 5	With Prompt 5
Fair 5	Only 1 or 2 2	No Yell 0

PATROL CLASSIFICATION SYSTEM

The following is the classification scheme for Patrol competition:

BOY SCOUT RANK	
SCOUTS	1
TENDERFOOT	4
SECOND CLASS	8
FIRST CLASS	10

SHIPS & CREWS will compete as **BULLS**

Each Scout in the Patrol, who is in attendance at the Camporee, is given a point value according to their rank at the time of Camporee. All individual points of the Patrol members are added together. This total number of points is then divided by the number of Scouts in the Patrol.

This average will be used for classification for the various events.

Divide the 43 by 5 (number of Scouts) = 8.60 points.

The Patrol classification list designates this average as WOLVES, therefore, the Old Goat Patrol will compete in the WOLVES events.

EXAMPLE: Old Goat Patrol Roster

NAMES	RANK	POINTS
Bob Hazard	Life	20
Steve Shorr	First Class	10
Robin Johnson	Second Class	8

Adult Unit leaders will be given a summary of what was ordered at registration. Adults will be responsible for picking up the WHOLE units order. Scouts can help pick up food and drink but an adult will need to be present. Unit leaders will be responsible for distributing individual food orders to Scouts and Scouters. This will help eliminate much of the confusion from previous years.

CHECK-OUT PROCEDURES

When your unit is ready to depart, the Senior Patrol Leader or Crew Leader should inspect their campsite for cleanliness. Remember that all trash is to be packed out. Remember to LEAVE NO TRACE. Campsites should always be left better than they were found.

If you haven't already, please make sure to return any event signs and equipment to the Camp Headquarters Area.

When the Senior Patrol Leader or Crew Leader is satisfied that the campsite is clean, a Campsite Inspector will clear them for departure and issue them a signed evaluation sheet.

The Senior Patrol Leader and an Adult leader will need to take the completed evaluation sheet **AND THE CAMPSITE UNIT SIGN** to the Camp Headquarters Area. There they will obtain their packet of score sheets, Camporee patches and their Medical forms will be returned.
